Dear General Taylor:

Thank you for your comments concerning the CIA study on "Brainwashing".

Although the implication you mention was not intended, the wording of the paragraph which refers to courts-martial of the "brainwashed" is unfortunate. In order to obviate any possible erroneous implication, this paragraph will be rewritten and the references to courts-martial deleted in any reprinting of this material.

Sincerely,

SIGNED

C. P. CABELL
Lieutenant General, USAF
Acting Director
